My dear Sir Falconer.

I am sending Dr. Dunsmore's letter on to the D.G.M.S. Office where such matters are dealt with. I shd. probably recall him if I saw him, being of Irish-Scot-
I am only marking time here until the Military Hospts. Commission & the Dept. of Militia have composed their differences - and unless the M.H. Comm. experience a radical change of heart & of view I shall be compelled to decline all connexion with the work.

Very sincerely Yours.

J. T. Fotheringham.
